Keep the TSI Congress safe!

Please support us ...

- Wear a mouth and nose protector throughout the entire event area. It may only be removed when you are sitting on a seat.

- No shaking hands or hugs - please use greeting methods without direct contact.

- Please disinfect hands each time you enter the Radisson Blu Hotel and regularly during the congress. Please use the provided disinfection dispenser in front of all rooms.

- Avoid touching your face and sneeze into your elbows.

- Please keep a distance of 1.5–2 m, pay attention especially in the networking area.

Please stay at home ...

- if you have been in a current risk area designated by the RKI during the last 14 days before the event, participation on site is unfortunately not possible. As a virtual participant, you will of course be given access to the live stream.

- if you have been ordered to stay in quarantine at home.

- at the slightest suspicion of infection within the last 14 days.

- if you feel ill (fever, dry cough, disturbed taste or smell.

- if you have had contact with a (potentially) infected person.

Our setup of the TSI Congress 2020 in Berlin

- Masks are compulsory in the entire event area when standing

- Maintaining distance and minimum distance in all areas

- Design of the lecture areas with minimum distances (chairs, tables)

- Traceability of all participants through registration of all persons on site including the congress crew.

- Disinfectant dispenser in front of each room and at each buffet

- Hand washing facilities in the toilets in the conference area (ground floor and DomLounge)

- Regular cleaning and disinfection of contact surfaces secured by the hotel

- Continuous ventilation of the entire hotel with comfort air conditioning (complete air exchange, no air circulation!)

- Measures to maintain distance between employees and visitors (e.g. partitions) and avoidance of queues

- No access for persons with symptoms of the disease
